EXAMINER'S AMENDMENT

1. This application is in condition for allowance except for the presence of claims 23-32 directed to an invention non-elected without traverse. Accordingly, claims 23-32 have been cancelled.

2. The application has been amended as follows:

Claims 23-32: cancelled

3. The following is an examiner's statement of reasons for allowance:

As set forth in the previous action with respect to claim 1, the prior art fails to teach or suggest a master processing apparatus comprising a pouch holder and a supply including a plurality of pouches arranged in the pouch holder, with each pouch including a pair of sheets joined at leading ends thereof, wherein the pouch holder enables the pouches of the supply to be successively exposed as a leading pouch in an operative position wherein one of the sheets of the leading pouch can be unfolded away from the other sheet to open the leading pouch into an open position.

As to claim 33, the prior art fails to teach or suggest a supply for a master processing apparatus comprising a removable pouch holder and a plurality of pouches arranged in the pouch holder, with each pouch including a pair of sheets joined at leading ends thereof, wherein the pouch holder is configured to enable the pouches to be successively exposed as a leading pouch in an operative position wherein one of the sheets of the leading pouch can be unfolded away from the other sheet to open the leading pouch into an open position.

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue
